

MONEY SMARTS 4 KIDS

Financial Literacy For Young People

2010 Summer Camp Registration - Richmond Hill, On.

“Why didn’t anyone teach me how to save and invest when I was young?”

Camp Millionaire is a unique financial literacy day camp for children, ages 9-14. It is based on the belief that becoming financially free is primarily a matter of making the right choices in life and developing the right financial habits. Through fun-filled games, activities and group exercises, children learn how money works.

Campers will learn concepts such as: pay yourself first; save early, save often; put your money to work for you; spend less money than you make; invest in assets that produce passive income; only borrow money when it’s going to make you money; and critical concepts such as ethical choices, giving back to the community, and many more life changing concepts.
